

JULY/AUGUST 2023

Dear Supporter,

Praise God with us for his mighty hand of power in our weakness and dire need! We keep experiencing his Spirit doing acts to expand his Kingdom through us sinners, saved by his grace.

Recently, the Spirit of Jesus came in signs and wonders to goad us to move on to higher ground by his power unto his glory. Three women were going to our women's retreat on a Friday night to get ready to lead the worship. It was pitch black at 10 p.m., they were on a dirt road near the retreat, and got stuck in a hole in a ditch. They tried everything to get the car out of the hole, but they could not do it. Sensing grave danger, they prayed for the Lord's intervention. As the three women said "amen", three angels came, one on a bike and two in a Jeep. These angelic beings in the form of men got the car out of the ditch and left quickly. The women marveled at God's goodness and spoke boldly of the angelic intervention, giving all the glory to God!

Equally amazing was the testimony of a brother in Christ at a men's retreat. A surgeon, having just finished an operation, was going to another hospital when a motorcyclist came alongside his car. This doctor perceived that he was a drug addict and was demonized. The man used his revolver to say, "lower your window!" The doctor had no way to escape. Lowering the window, the motorcyclist pointed the revolver at the doctor and fired two rounds, but nothing came out of the gun. The doctor got away, called the police and reported the dangerous criminal. He gave glory to God and spoke boldly of God's intervention, keeping him safe from danger.

These testimonies of the Lord's intervention by His angels remind us of Psalm 34:7, "The angel of the Lord encamps around those who fear him, and he delivers them." To God be the glory!

We remember that on several occasions the Angel of the Lord came upon us, the Kudos, to protect and defend us. We thank you for your prayers and for your support for over 47 years!

Gratefully,
