

Summer 2023 Update on Fred and Jane Tanaka

Fred (age 90) and Jane (age 88) are retired from Child Evangelism Fellowship. They go to the CEF office some weekday afternoons to continue to assist in the work.

Please pray for more workers for CEF, and thank God for a new worker, Kaho, who completed her training in April 2023.

Fred and Jane moved to a Retirement Facility Care House in May 2022. Pray for their health and mobility, and that they will have continued opportunities to witness for the Lord to the 41 residents and 12+ staff.
