

Summer 2022 Update on Fred and Jane Tanaka:

Pastor Eiji, Emi, and Eiji's mother visited the Tanakas in May, which was a great encouragement.

Fred (age 89) and Jane (age 87) are retired from Child Evangelism Fellowship. But they go to the CEF office weekday afternoons to assist in the work. Pray that Fred can continue driving safely, and for their physical challenges.

Fred and Jane transitioned to a senior citizen's retirement care home, where they moved on May 20. Pray that they will have opportunities to witness for the Lord there, which they believe will most likely be their last mission field, which the Lord has provided for them.
