Fig. 4 Garden

My name is Chahair Payamane. I'm 55 years old. There are 4 peoples in my family. I glad to see ITDF staff to came back visit us and follow up about water system. Now the water system in my village is still work good. We use for drink and cleaning . We still have enough water. The bathroom is still good And we keep continue to do the garden. We want to thank you again and hope to see you again GVBC team.
